Hi Gary:

I have not been in touch with Richard Bergner concerning the site in a few weeks, so I do not know the status of the sale of the site. The next step remains for Enforcement to draft for my review followup questions concerning the facility's ability to pay. These questions will then be sent out for the company's response.

I am still **waiting** for a draft of the questions to review.

Meanwhile, I will contact Bergner.

Gloria:

Do you know the status of this site?

Thanks
